About US

- MaliDesarc Pvt. Ltd. specializes in designing and building dynamic, functional, and visually striking commercial spaces.
- Founded with a passion for reimagining corporate and retail interiors, we blend innovation, craftsmanship, and sustainability into every project.
- From office spaces and hospitality to retail and public environments, our portfolio showcases various commercial interiors, each thoughtfully designed to enhance productivity, foster creativity, and elevate brand identity.
- We take pride in crafting spaces that not only meet the practical needs of our clients but also inspire and engage employees, customers, and visitors alike.
- Our expert team, with deep expertise in both design and project execution, ensures a smooth and efficient journey from initial concept to final delivery.
- As a trusted name in commercial interiors, we are committed to building enduring relationships with our clients and creating spaces that combine style, functionality, and long-term value.

Our Unique Approach

- At MaliDesarc, every commercial space should reflect a brand's identity and values. Our approach combines tailored design solutions with a strong commitment to functionality, sustainability, and quality.
- Whether designing office environments, retail spaces, or hospitality venues, we work closely with our clients to understand their business goals, brand ethos, and operational needs, ensuring every space is optimized for both aesthetic appeal and performance.
- From consultation to completion, we collaborate to craft innovative, practical designs that inspire teams, engage customers, and elevate brand experiences.
- We prioritize sustainable practices, using responsibly sourced materials and energy-efficient solutions to create environments that are not only visually striking but also environmentally responsible.
- We create functional, inspiring spaces through seamless design and execution, ensuring long-term success for our clients.

THE BOLD LOOK
OF **KOHLER**

Projects

SHAPOORJI PALLONJI

Location

Sewri, Mumbai

Area

16000 sq.ft.

Year

2020

This project involved designing a captivating double-height entrance lobby and a functional mezzanine floor. Key design considerations included space optimization, thematic integration, and functional zoning. The open spill-out area, adorned with lush greenery, offers a serene ambience. The ceiling and intricate lighting design elevate the overall aesthetic.

TIMES SQUARE

Location

Mumbai

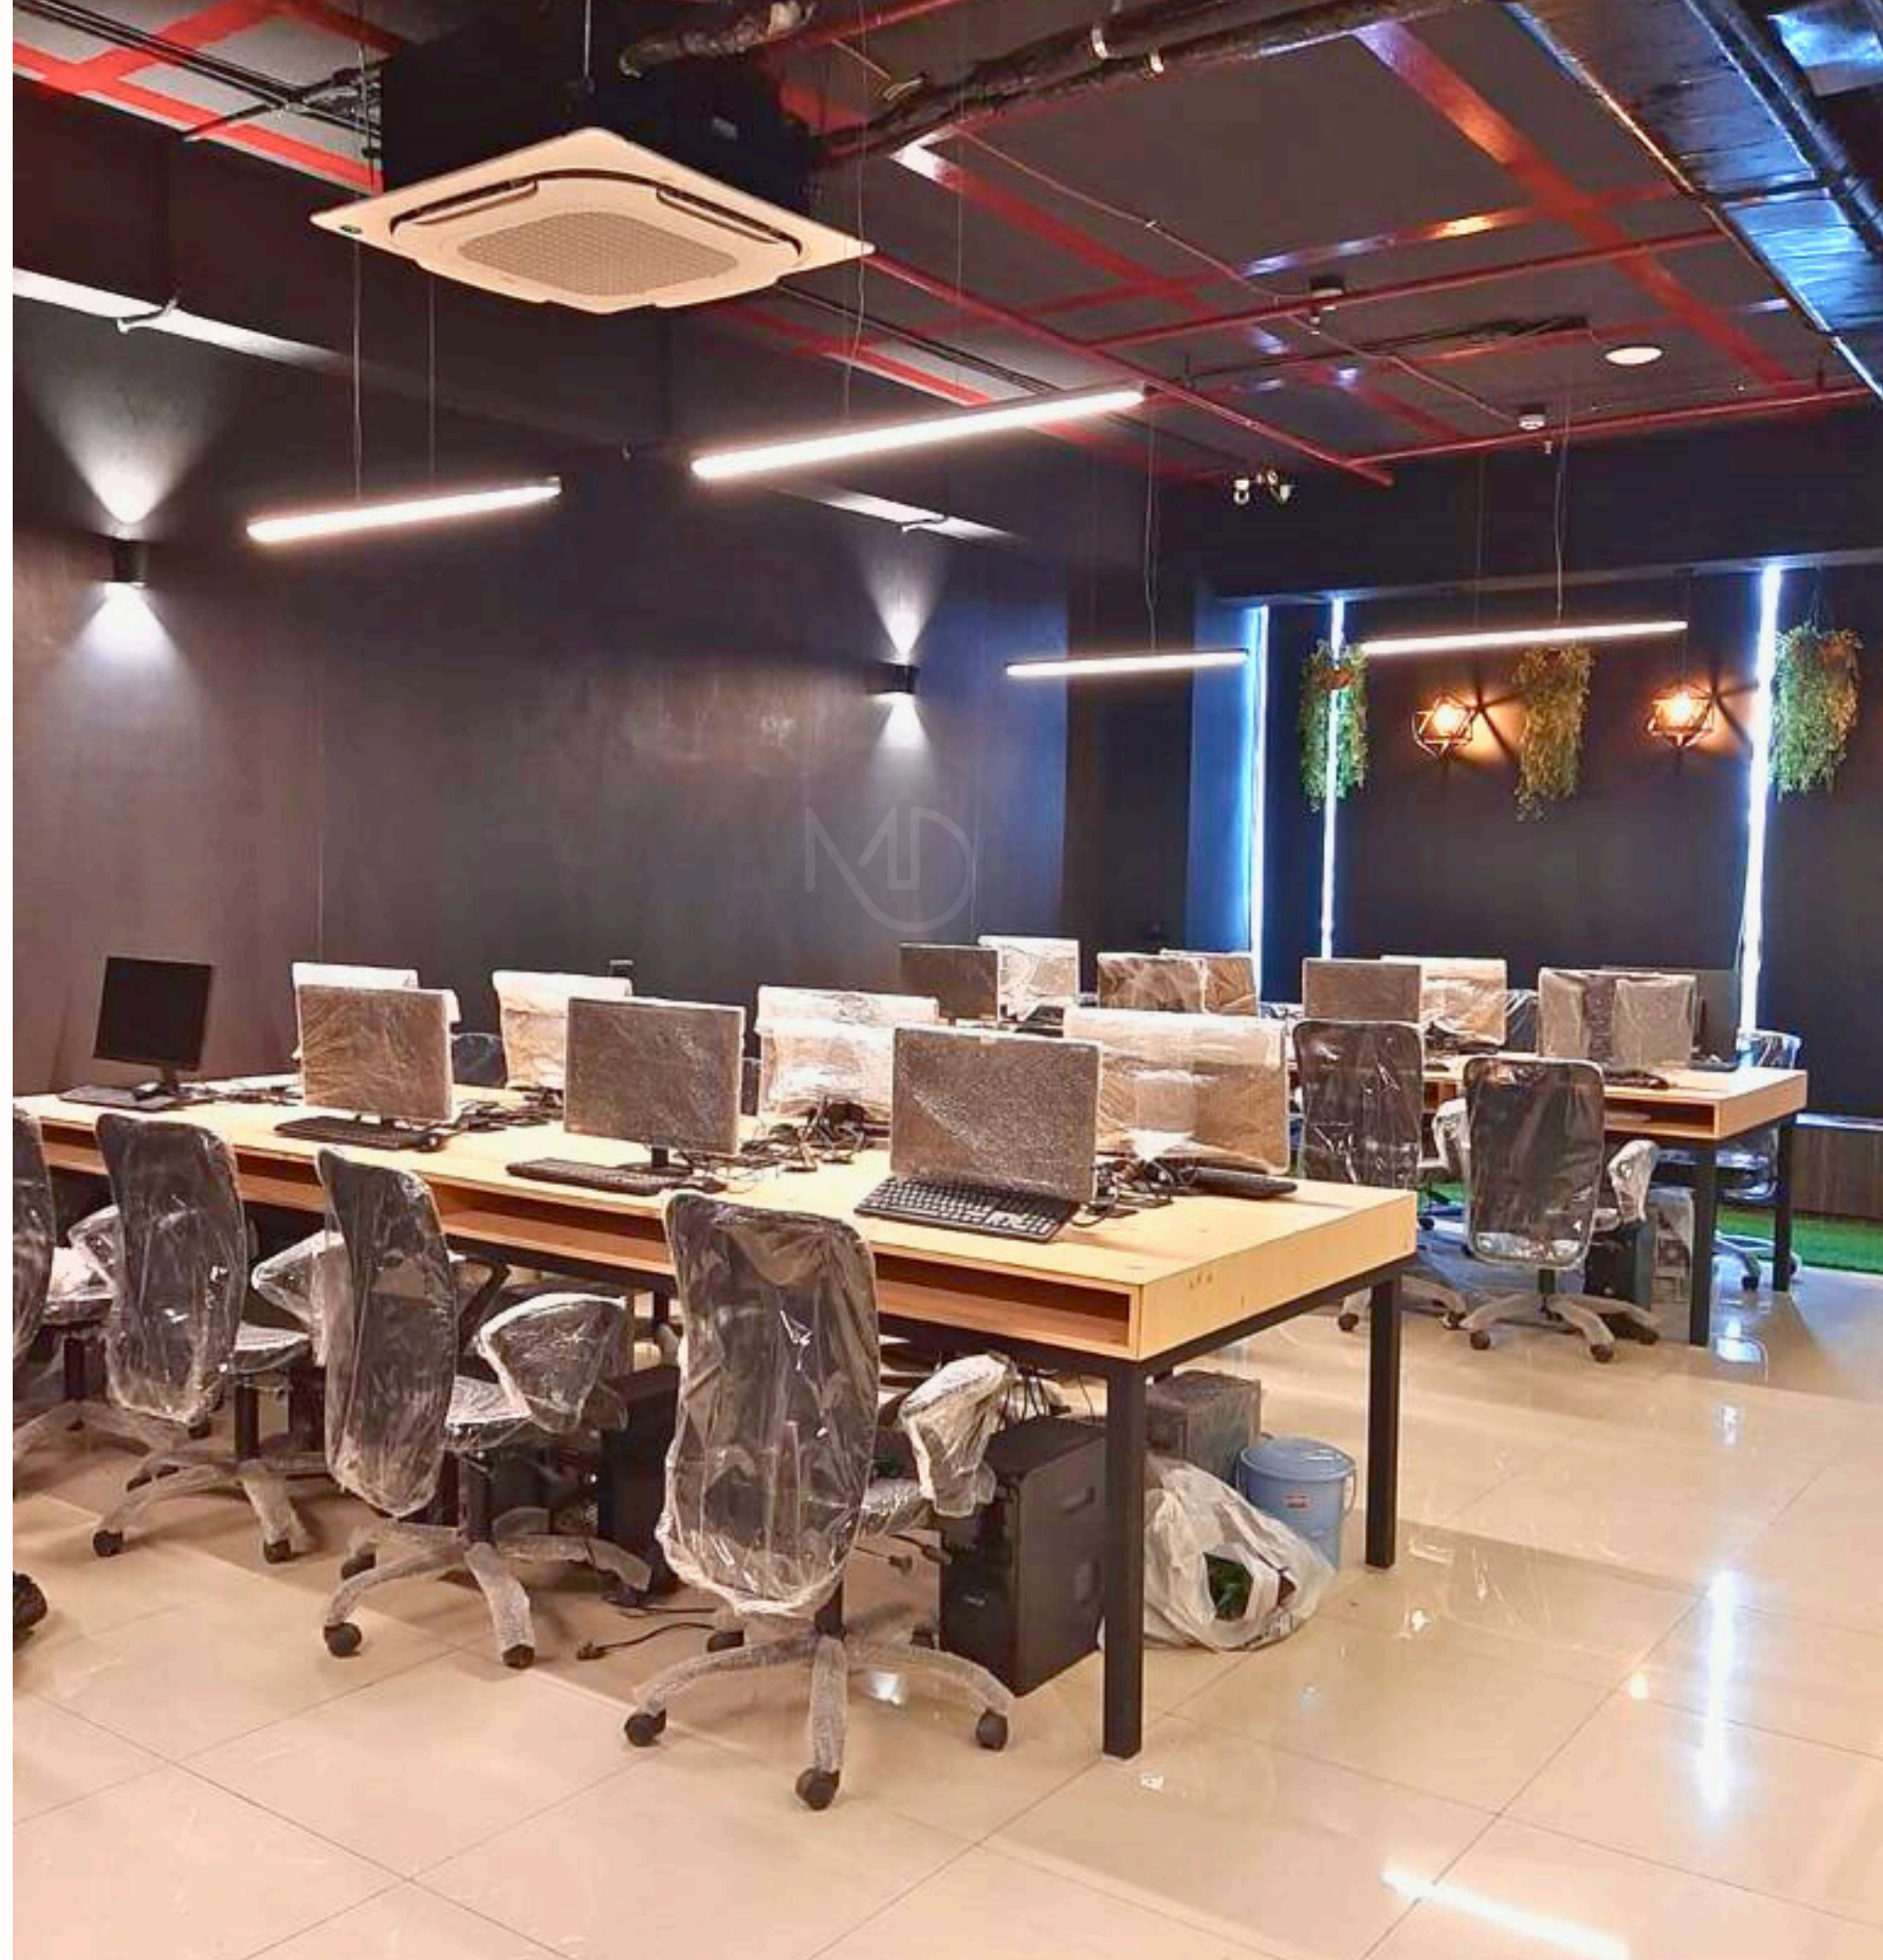

Area

1250 sq.ft.

Year

2020

This modern office workspace transformation focuses on functionality and style, blending a dynamic, open-plan layout with thoughtful design elements to enhance productivity and collaboration. The monochromatic color palette, complemented by bold accents, creates a sleek and professional ambiance. Exposed ceilings lend an industrial touch, while carefully planned lighting and hanging greenery add warmth and freshness. The workspace features ergonomic furnishings and a layout designed to foster seamless teamwork, making it both practical and visually appealing.

KHOSLA TRADEWISE

<u>Location</u>	<u>Area</u>	<u>Year</u>
Vashi	2500 sq.ft.	2023

The Khosla Tradewise office project was successfully completed. The project focused on creating a luxurious, efficient, and inspiring workspace. Key improvements include modern storage solutions, a luxurious ambiance, the integration of the iconic bull symbol, an optimized layout, and advanced technology integration. The project successfully delivered a trading office that combines style, function, and symbolism, providing an ideal environment for the client's trading operations.

RAYS INTERNATIONAL

Location

Andheri

Area

775 sq.ft.

Year

2021

The Rays International project aimed to create a clean, aesthetic, and luxurious workspace that facilitates detailed diamond examination. Key improvements include the implementation of specialized lighting solutions to enhance diamond inspection, the integration of luxurious design elements, and the creation of a dedicated temple space for spiritual reflection. We delivered a workspace that combines functionality, aesthetics, and spiritual significance, providing an ideal environment for the company's diamond operations.

RICHELON

<u>Location</u>	<u>Area</u>	<u>Year</u>
Wadala	1600 sq.ft.	2023

The Richelon client has a specific taste and good sense of design & color. so we create a modern and cozy workspace that reflects the brand’s aesthetic while incorporating traditional design elements. Key improvements include the use of bright colors, customized lighting solutions to highlight the high ceilings, and the integration of modern and traditional design elements.

CODEWORD BOSS

<u>Location</u>	<u>Area</u>	<u>Year</u>
Borivali	1500 sq.ft.	2023

The Codeword Boss office aimed to create a spacious and inviting workspace that reflects the company's modern and dynamic culture. Key improvements include the use of bright colors, natural plants, and customized lighting solutions to create a cafe-like atmosphere. The project successfully delivered a workspace that is both functional and visually appealing, providing an inspiring environment for the Codeword Boss team.

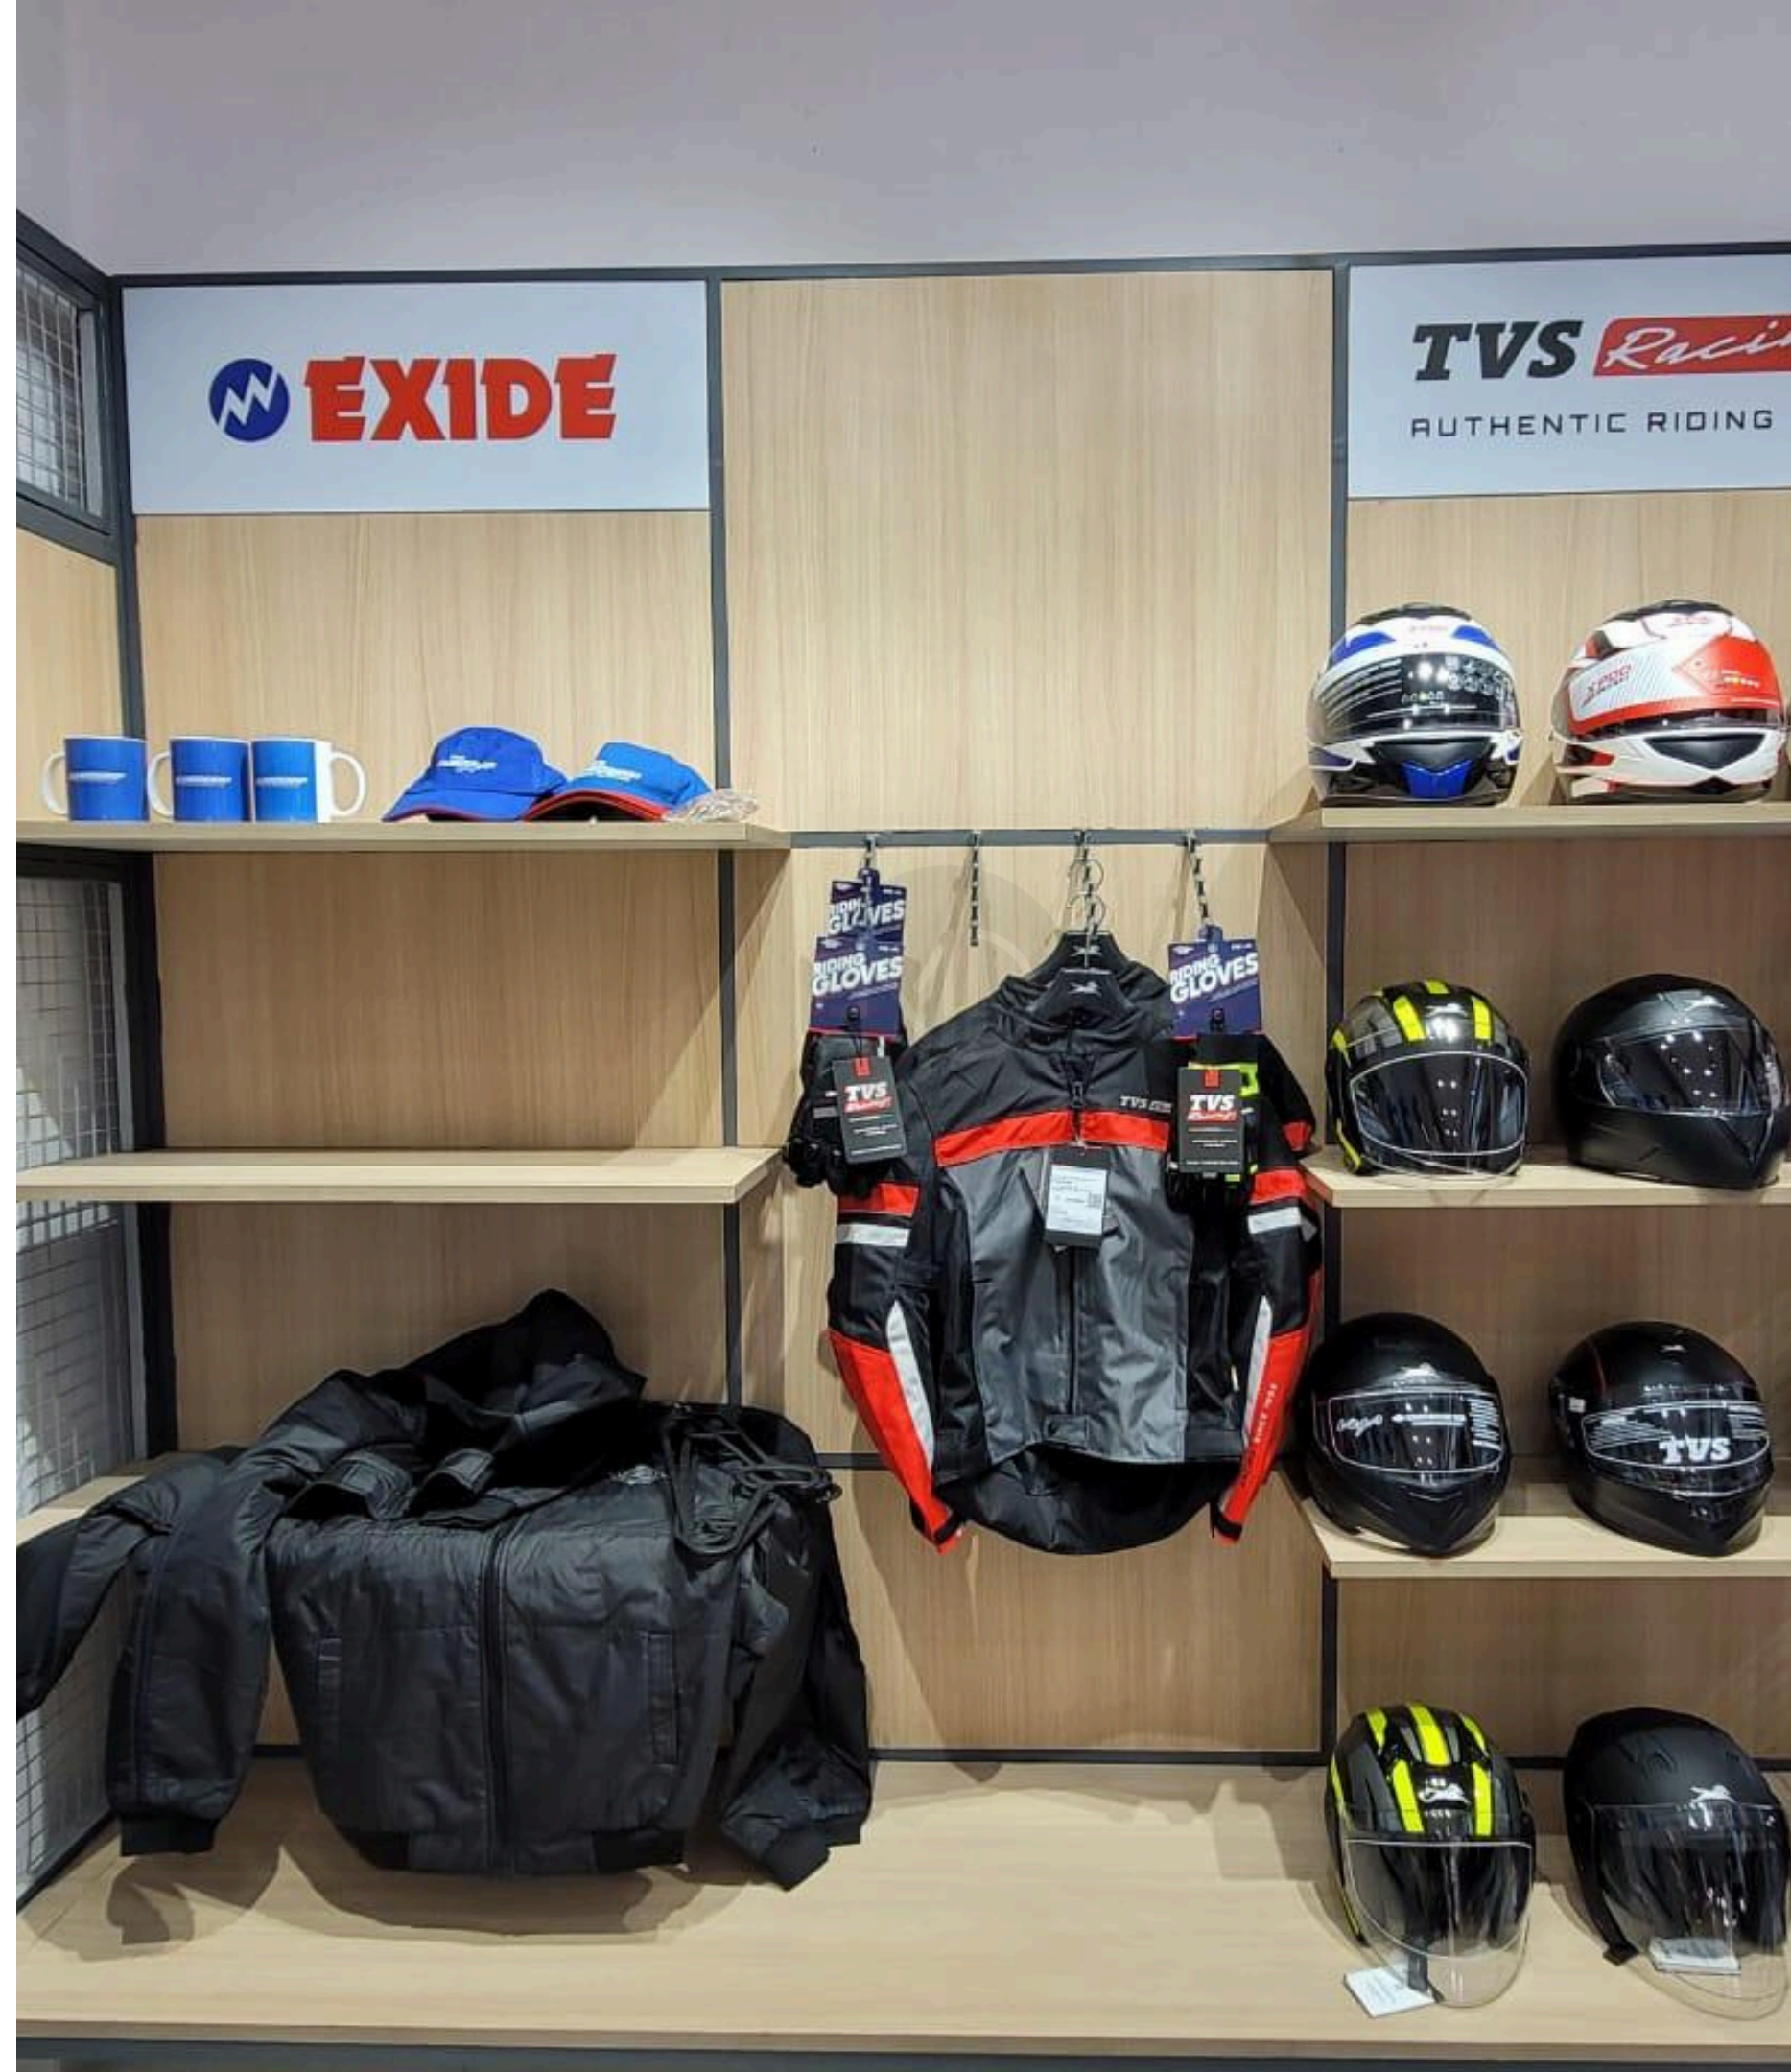

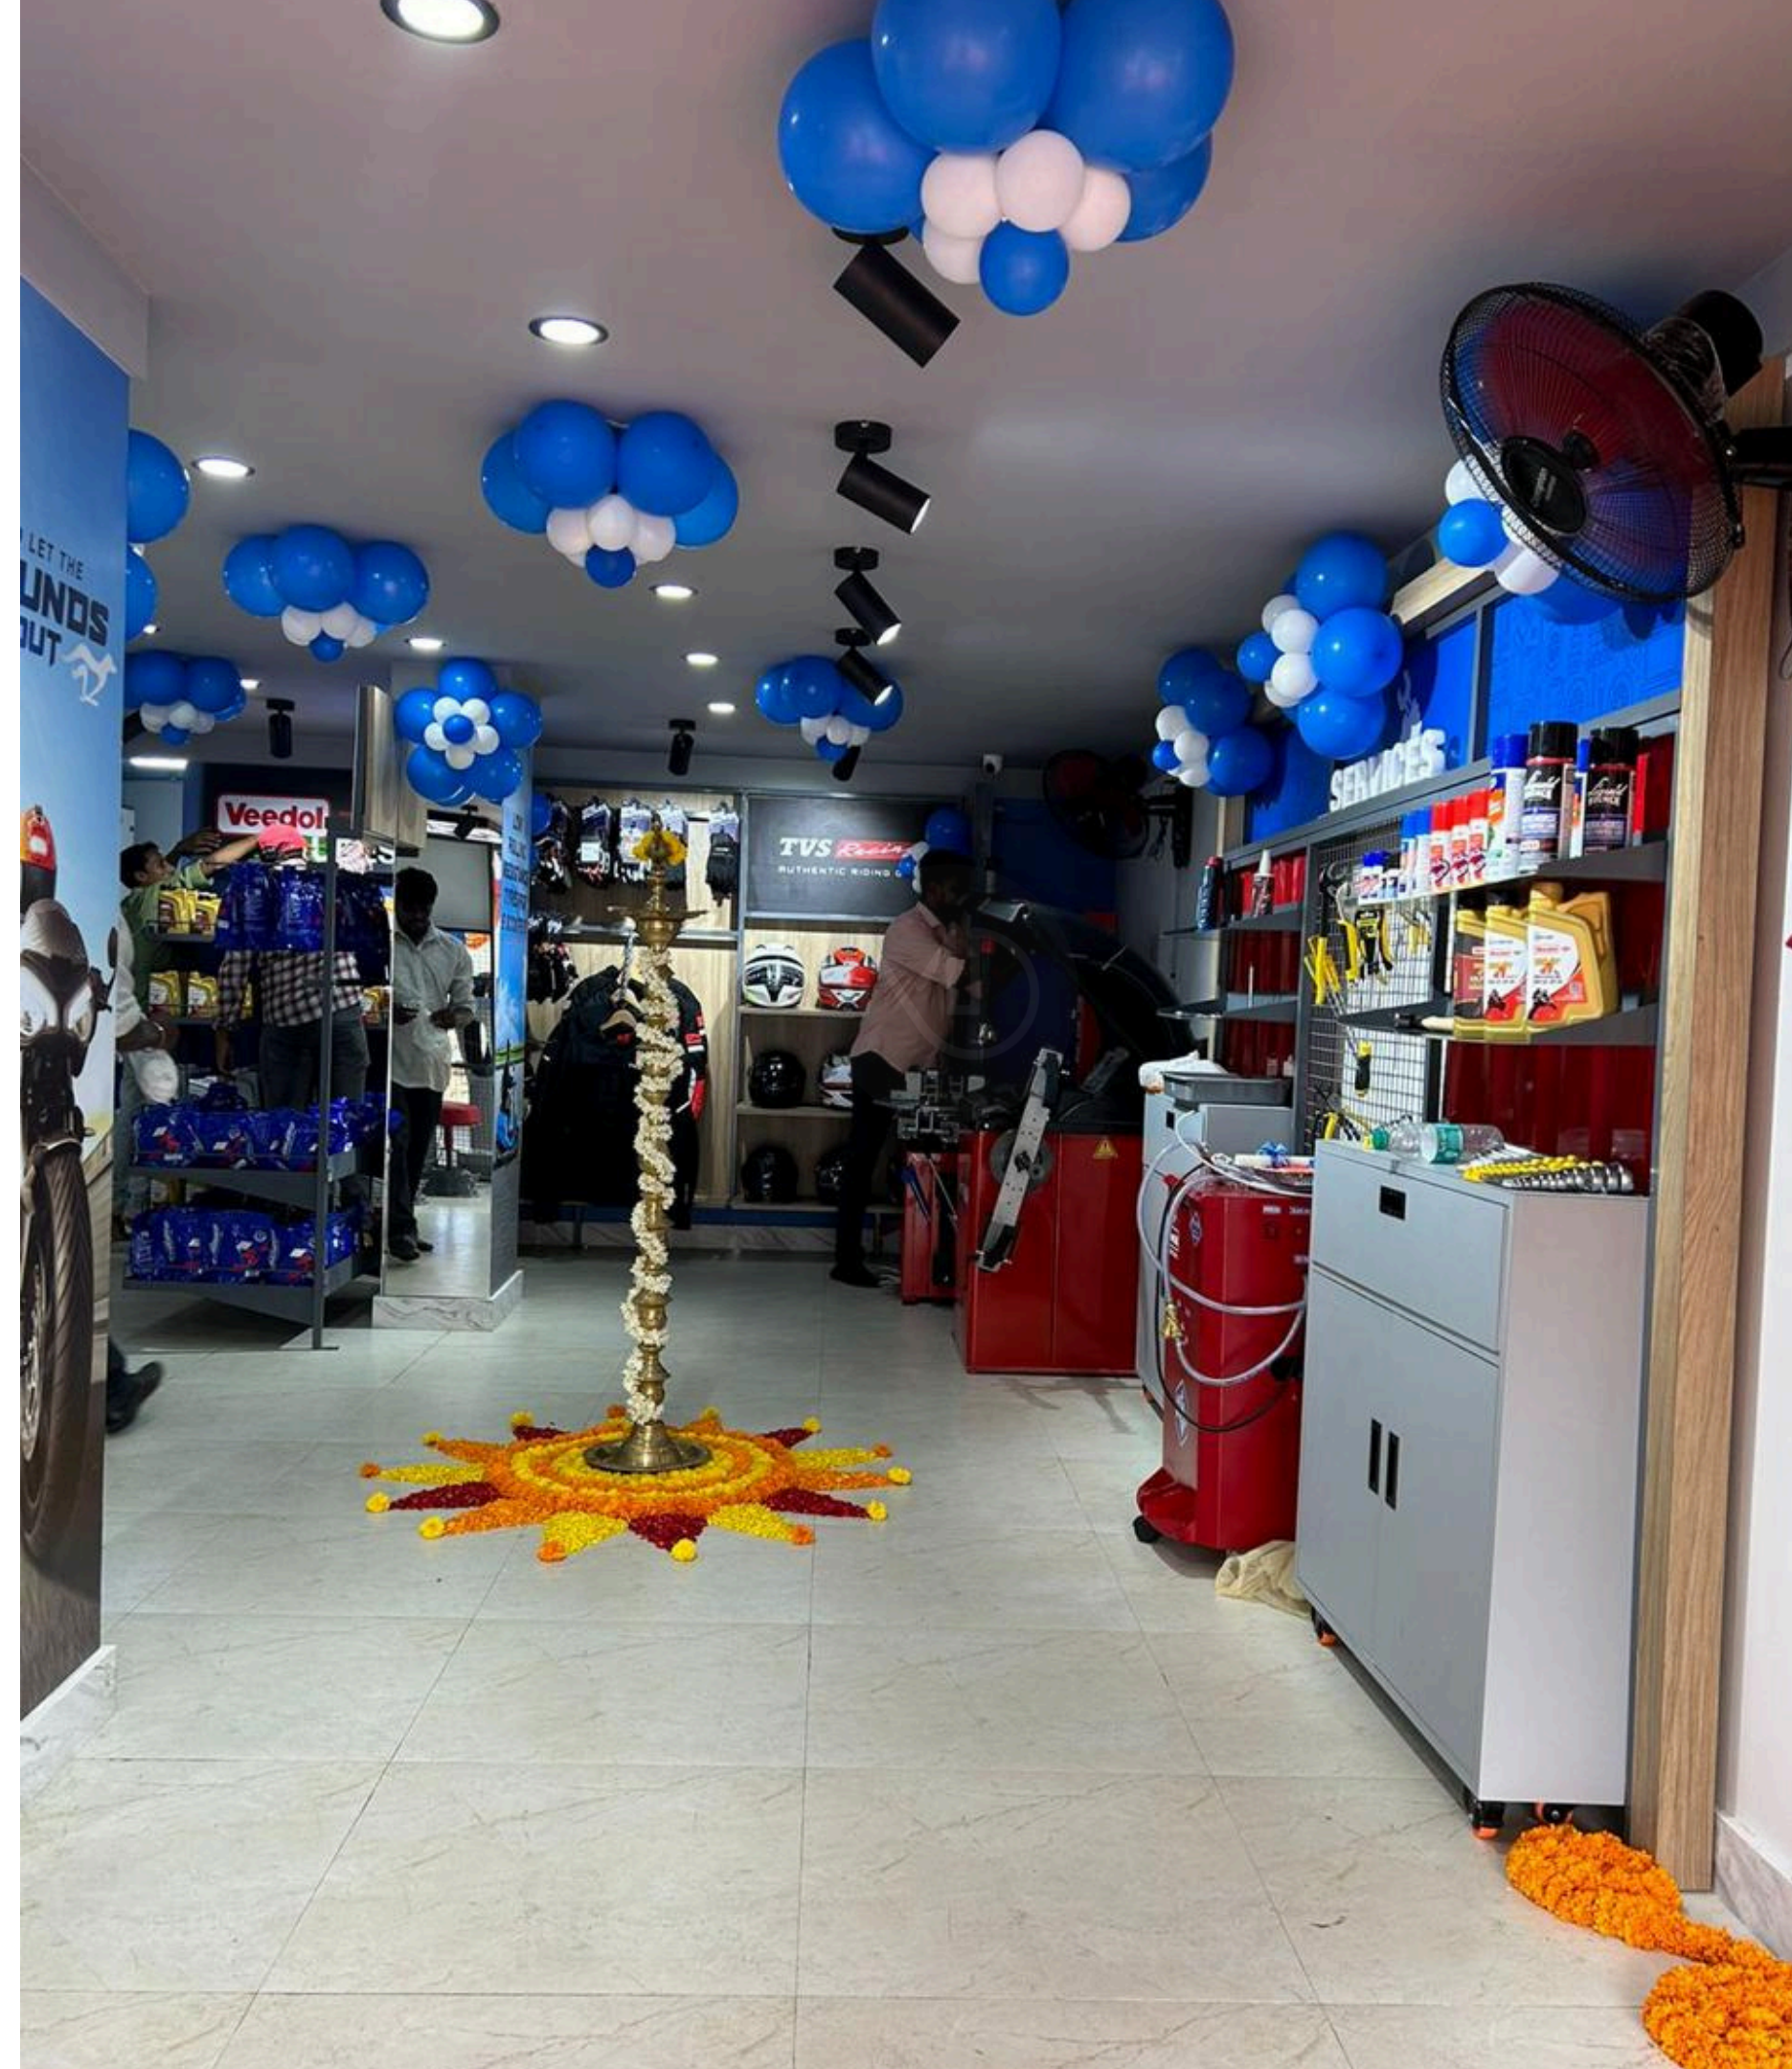

EURO GRIP

<u>Location</u>	<u>Area</u>	<u>Year</u>
Mysore	1500 sq.ft.	2023

Euro Grip Bike Tyre Specialist store boasts a modern and inviting design, featuring wood paneling, metal accents, and clean lines. The products are displayed well-organized, with helmets on shelves and jackets on a rack. The prominent branding elements and balanced lighting further enhance the overall appeal.

MD FAMILY

A wide array of Competent Designers led by Rachana and an equally efficient team of Client Servicing, Marketing & Production led by Aniket & the Senior Partners together, comprise a total strength of 50 equally efficient people...

...& a special mention to the most important team member, Oscar, the friendly doberman who is the caretaker of the MD workshop!

Aniket Mali

Founder & Managing Director

Aniket is a leader, designer, innovator and a fast learner, usually all at once, 17 years into business, a First Generation Entrepreneur, Aniket has established a reputation for building relationships across the industry with not only the top management of his clientele brands but across multiple businesses enabling him to adapt diverse ideologies & incorporate those for self growth. A philanthropist by nature, Aniket truly believes in giving back to those who make our lives easier.

Rachana Mali

Principal Designer

A Design Graduate from Sir J.J. Institute of Applied Art, Rachana has passionately been designing spaces for over a decade. A people's person, Design is an intrinsic part of her daily life & she finds inspiration in everything from her immediate surrounding or her travels. However, what ultimately inspires her artistry is her clients & their needs, their aesthetics & their life stories. Which is why no two designs are alike & yet each one has a unique stamp of craftsmanship & flair which is all her own.

Let's collaborate!
